

21 PALLIATIVE CARE

ACT – ASSOCIATION FOR CHILDREN’S PALLIATIVE CARE

www.act.org.uk

A national charity seeking to promote excellence and equity of provision of care and support for children and young people with life-threatening or life-limiting conditions and their families. Campaigns for improved service provision, supports professionals and informs families. Database of support services available for families and professionals working with them.

CHASE HOSPICE CARE FOR CHILDREN

www.chasecare.org.uk

CHASE Hospice Care for Children charity provides practical and emotional care and support to life-limited children, young people and their families. Support is provided at home and in community by specially trained professionals and at children's hospice in Guildford. Support includes respite, palliative and end of life care. For families in South West London, Surrey and West Sussex.

CHESTNUT TREE HOUSE

www.chestnut-tree-house.org.uk

Hospice for young people aged 0-19 with progressive life-limiting and life-threatening illnesses. Offers respite care, crisis care, day care, end-of-life care and bereavement support for children and adults. Respite and end of life care onsite. Multi-sensory room, hydrotherapy pool, computer room, wet and dry play areas, sensory garden, young person's wing, chapel and bereavement suite, all areas accessible. Community service: respite, activity days and teenager programme, accommodation for families.

HOME CARE AGENCIES

Many agencies can provide palliative care. For a list of agencies and assistance with finding one which can provide the care you require, contact Relatives Support Service at CSS, Worthing & District 01903 528600. West Sussex Care Guide (available from County Hall, Chichester) is a complete list of registered agencies.

NURSING HOMES

Many nursing homes can provide palliative care. For a list of homes and assistance with finding suitable vacancies contact Relatives Support Service at CSS, Worthing & District 01903 528600. West Sussex Care Guide (available from County Hall, Chichester) is a complete list of registered nursing homes.

PALLIATIVE CARE TEAM

Provides care and support for people with terminal illness and their families (cancer and non-cancer). Two full time nurses care Mon-Fri for palliative patients and their family, from diagnosis to the dying patient. Work with the Community Palliative Care Nurse Specialist and the Community Primary Care Teams, and St Barnabas House.

ST BARNABAS HOUSE

www.stbh.org.uk

The Inpatient unit has 15 beds for specialist respite care, complex symptom control and complex end of life care but no long-term residential care. The Day Care service operates for four days a week and has 18 places. This is for all advanced progressive diseases with specialist needs, such as incurable cancer or Motor Neurone Disease. Provides services for the Worthing, Littlehampton, Shoreham, Southwick, Storrington, and Henfield areas. All referral via GP, or Hospital Consultant.
